

LAVERNE NOYES SCHOLARSHIP APPLICATION

According to the Estate of LaVerne Noyes, “the purpose in establishing these scholarships was to express his gratitude to, and in a slight degree to reward, those who ventured the supreme sacrifice of life for this country and for mankind in this war for the liberty of the world, and, also, to aid in keeping alive, for generations to come, the spirit of unselfish patriotic devotion which these men displayed and without which no free government can long endure.”

The scholarship is limited to no more than eight semesters. Funding is limited and the yearly amount of the scholarship will vary.

Eligibility Requirements:

- be a U.S. citizen
- preference given to students who have financial need based on the Free Application for Federal Student Aid (FAFSA)
- be a direct descendant (child, grandchild, great-grandchild, etc.) of a World War I veteran of the U.S. Army or Navy who served as specified on the application and whose service was terminated by death or honorable discharge
- be enrolled full-time in an undergraduate program, not have a prior undergraduate degree, and maintain Satisfactory Academic Progress.

Application Process

1. File your FAFSA by April 1.
2. Complete the LaVerne Noyes application and return it to the Office of Student Financial Aid by April 1.

Newly admitted students will be notified by May 1 and currently enrolled students will be notified in late May.

First time applicants must include documentation verifying the service record of the World War I veteran on whose service you are applying. This may include copies of enlistment records, discharge certificates, or other certification from the Veterans Administration. We understand that providing the veteran’s service record is sometimes a very challenging task. However, due to the terms under which the scholarship was established, you must provide documentation of the veteran meeting the service criteria as outlined on the application form.

In addition to family records, the following resources may be useful in locating the necessary documentation:

1. The U.S. National Archives and Records Administration: <https://www.archives.gov/veterans/>
2. County Courthouse in the county the veteran was living at the time of enlistment/discharge
3. National Archives in St. Louis: <https://www.archives.gov/st-louis/military-personnel/>
4. Some libraries offer access to online databases provided by Ancestry.com, Newspapers.com, etc.
5. The state historical library or society in the state your veteran resided
